Lessee may choose to have said well or wells repaired at its own expense, in which event Lessor cannot terminate the Lease as set forth above.

9. **Compliance With Law**

Lessee shall at Lessee's sole expense, promptly comply with all applicable statutes, ordinances, rules, regulations, orders, covenants and restrictions of record, and requirements (hereinafter collectively referred to as "regulations") in effect during the term or any part of the term hereof, whether said regulation was in effect at the time of the signing of the Lease or became effective thereafter, regulating the use by Lessee of the premises, including, but not limited to State and/or Federal Superfund Laws, the Resource Conservation and Recovery Act, the Clean Water Act, the Federal Insecticide, Fungicide, & Rodenticide Act, the Hazardous Waste Control Act, or the Porter-Cologne Act. Lessee shall not use nor allow the use of the premises in any manner that would tend to create waste or a nuisance. Without limiting the generality of the foregoing, Lessee shall not allow or suffer the use, release or discharge on, in, around or under the premises of any material, chemical, substance or waste which is classified or regulated as a "toxic" or "hazardous" material, substance or waste by any applicable governmental or regulatory authority or agency (collectively "hazardous waste"). Lessor shall provide Lessee with a minimum of forty-eight (48) hours advance written notification prior to entering upon the property to conduct any such study or showing.

12. Default of Lessee

If any payments shall be due and unpaid after fifteen (15) days written notice of default, or if any default shall be made in any of the covenants or agreements on the part of Lessee contained in this Lease, or in the event Lessee is adjudicated as bankrupt or insolvent, or has a receiver appointed to receive the assets of Lessee, or has a Trustee appointed for Lessee after a petition has been filed under the Bankruptcy Act of the United States, or if Lessee shall make an assignment for the benefit of creditors, or if Lessee shall vacate or abandon the demised premises,
then in such event Lessor shall have the right at its election, then or at any time thereafter, to re-enter and take possession of the demised premises and terminate this Lease, in which event Lessee hereby covenants to peaceable and quietly yield up to Lessor the demised premises. Lessor shall also have the right, with or without resuming possession of the premises or terminating the Lease, to sue for and recover all rents and other sums, including damage at any time and from time to time accruing hereunder together with such other rights as may be provided Lessor by law. Lessor may further have the right, at its option, without terminating this Lease, to relet the premises for the remainder of the term to such tenants, and at such rentals as Lessor may agree upon and Lessee agrees to pay such deficiency to Lessor and further agrees to pay to Lessor, when ascertained, all costs and expenses incurred in such reletting. No re-entry or taking of possession of the demised premises by Lessor shall be construed as an election on Lessor’s part to terminate the Lease unless a written notice of such intention is given to Lessee or unless the termination be decreed by a court of competent jurisdiction.

13. **Surrender of Premises**

At the expiration of the term of this Lease or any sooner termination of this Lease, Lessee agrees to quit and surrender the premises and all appurtenances thereon and in good state and condition as reasonable use and wear thereof will permit. Lessee shall not sublease, assign, transfer or hypothecate this Lease without first obtaining the written consent of Lessor, and in no event shall the demised premises be assigned, sublet, transferred or hypothecated unless the transferee shall provide evidence of adequate financial resources to fully comply with all of the terms of this Lease to the complete satisfaction of Lessor, and unless the transferee be in all respects a fit and proper person (to the sole satisfaction of Lessor) for the purpose
of carrying out the obligation under this Lease.

8. Condition of Premises

Lessee acknowledges that it has inspected the demised premises, that the same are in good and tenantable condition. cannot terminate the Lease as set forth above.

9. **Compliance With Law**

Lessee shall at Lessee's sole expense, promptly comply with all applicable statutes, ordinances, rules, regulations, orders, covenants and restrictions of record, and requirements (hereinafter collectively referred to as "regulations") in effect during the term or any part of the term hereof, whether said regulation was in effect at the time of the signing of the Lease or became effective thereafter, regulating the use by Lessee of the premises, including, but not limited to State and/or Federal Superfund Laws, the Resource Conservation and Recovery Act, the Clean Water Act, the Federal Insecticide, Fungicide, & Rodenticide Act, the Hazardous Waste Control Act, or the Porter-Cologne Act. Lessee shall not use nor allow the use of the premises in any manner that would tend to create waste or a nuisance. Without limiting the generality of the foregoing, Lessee shall not allow or suffer the use, release or discharge on, in, around or under the premises of any material, chemical, substance or waste which is classified or regulated as a "toxic" or "hazardous" material, substance or waste by any applicable governmental or regulatory authority or agency (collectively "hazardous waste"). to Lessee or to Lessee's agents, contractors, or sublessees, in connection with work of any character performed on the demised premises, or claimed to have been performed on the demised premises, at the direction or insistence of Lessee; provided, however, that Lessee shall have the right to contest the validity of the amount of any such claims or lien provided Lessee gives Lessor reasonable security that may be demanded by Lessor with immediate notice of any such claim, lien, encumbrance and/or action arising out of any claim for labor or material furnished for the use or benefit of the demised premises.

Lessor shall also have the right, with or without resuming possession of the premises or terminating the Lease, to sue for and recover all rents and other
sums, including damage at any time and from time to time accruing hereunder together with such other rights as may be provided Lessor by law. Lessor may further have the right, at its option, without terminating this Lease, to relet the premises for the remainder of the term to such tenants, and at such rentals as Lessor may agree upon and Lessee agrees to pay such deficiency to Lessor and further agrees to pay to Lessor, when ascertained, all costs and expenses incurred in such reletting. No re-entry or taking of possession of the demised premises by Lessor shall be construed as an election on Lessor's part to terminate the Lease unless a written notice of such intention is given to Lessee or unless the termination be decreed by a court of competent jurisdiction.

13. **Surrender of Premises**

At the expiration of the term of this Lease or any sooner termination of this Lease, Lessee agrees to quit and surrender the premises and all appurtenances thereon and in good state and condition as reasonable use and wear thereof will permit. After the expiration or termination of the Lease contained herein, or any extension thereof, Lessor will notify Lessee in writing if it is Lessor's intent to again lease the demised premises specifying the rental rate and other terms. Lessee shall have fifteen (15) days from receipt of said notice to notify Lessor in writing of Lessee's election to again lease the demised premises. Should Lessee fail to notify the Lessor in writing of Lessee's election to lease demised premises, Lessee's Right of First Refusal shall be deemed waived. If Lessee notifies Lessor in the affirmative to lease the demised premises, the Lessor, within a reasonable period of time, shall draft leases and deliver them to Lessee for execution. Upon delivery of said leases, Lessee shall have (15) days in which to execute and return said leases to Lessor.

17. **Non-Disturbance**

Lessee shall not be required to attorn/subordinate to superior mortgages or superior
Refusal shall be deemed waived. If Lessee notifies Lessor in the affirmative to lease the demised premises, the Lessor, within a reasonable period of time, shall draft leases and deliver them to Lessee for execution. Upon delivery of said leases, Lessee shall have (15) days in which to execute and return said leases to Lessor.

17. **Non-Disturbance**

Lessee shall not be required to attorn/subordinate to superior mortgages or superior mortgagees, etc., including, but not limited to, any purchaser taking title by or through any mortgagee or by or through a foreclosure sale ("Successor") unless the superior mortgagees or Successors execute a non-disturbance agreement in favor of Lessee in such form as shall be acceptable by Lessee. Lessor’s delivery to Lessee of a Non-Disturbance Agreement executed by Lessor and any deed of trust beneficiary, in such form as shall be acceptable to Lessee, shall be a condition precedent to Lessee’s performance under the Lease.

18. **Pumps and Motors**

Lessor and Lessee hereby acknowledge that the pumps and motors to be installed in the wells at the subject property are the sole property of Lessee. Further, that Lessor will not be responsible for the maintenance or repair of the Lessee’s pumps or motors referenced herein, during the term of this Lease. Finally, that upon termination of the Lease, Lessee reserves the right to remove all pumps and motors.

19. **Water Adjudication**

Lessor and Lessee acknowledge that (a) a study by the United States Geologic Survey (USGS) and other agencies has been undertaken to determine, inter alia, the amount of local ground water and the impact of well pumping of same throughout the Antelope Valley’ and (b) the possibility exists that water rights to, and the amount of available water for, the subject property may be altered by State, County or Local government. Such alteration may affect the amount and/or cost
of water available to Lessee hereunder.

If and when such "adjudication" of water rights takes place, Lessee shall have sixty (60) days to evaluate the impact of such adjudication on the operation of Lessee's business. If Lessee determines, in its sole discretion, that such an adjudication shall have an adverse impact, then Lessee may terminate this Lease, without any additional cost, penalty, or consideration for such termination, upon thirty days' written notice to Lessor.

20. **Lessee's Right to Adjust Actual Lease Acreage**

Lessee reserves the right to (i) perform a survey of the property, after which the Lessee shall make a final determination of the actual net usable acreage that is farmable by Lessee, and (ii) adjust accordingly the amount of land that is subject to this Lease by a maximum of twenty (20) acres, resulting in a final Lease of no less than sixty (60) acres, rather than the eighty (80) acres presently contemplated herein. In the event the actual leased acreage is less than described on Page No. 1, in Provision No. 1 of this Lease the annual rental amount(s) shall be adjusted and prorated accordingly.
