California Indemnity Selection

It is hereby certified that the lands described in this list No. 321 are embraced in the original list on file in this Bureau, of lands selected by the State of California, pursuant to the laws of the State, in the Riverside Land District, as indemnity for losses in the sections and townships named, which school land indemnity selections are authorized by the acts of Congress cited.

It is further certified that the description of lands reported lost or deficient in this list and those selected in lieu thereof have been examined and compared with the township plats and tract books in the Land Office; that the Indemnity lands claimed have been found to be properly due the townships for which they were selected, and the selected lands are shown to be subject to such selection, being surveyed public lands within the meaning of 43 U.S.C., 851 and 852 and within the limits of the State and free from adverse claims of record. Reports have been received indicating that the selected lands in Section 34, T. 10 N., R. 14 W., SMB, are not valuable for minerals, other than oil and gas.

Reports have been received indicating that the selected land in Section 24, T. 9 N., R. 15 W., SMB, and the base land in Section 36, T. 18 N., R. 5 E., SMB, are mineral in character.

The selected lands are not affected by any withdrawal adverse to this selection.

Therefore, and pursuant to Order No. 541, as amended July 28, 1955 (20 F.R. 5555), this list embracing 200 acres is hereby approved subject to valid rights existing at date of selection; but excepting and reserving to the United States rights-of-way over and across the lands for ditches and canals constructed by the authority of the United States, as directed and required by the Act of Congress approved August 30, 1890 (26 Stat. 391). Excepting and reserving, also, to the United States, all the oil and gas in the volumes SMB, SMB, SMB, SMB, Section 24, T. 10 N.,
H. 14 V., S84, and to it, or persons authorized by it, the right to
prospect for, move, and remove such deposits from the same upon
compliance with the conditions and subject to the provisions and limita-
tions of the Act of July 17, 1914 (38 Stat. 599); subject to the rights
of prior permittees or lessees to use so much of the surface of such
lands, as is required for mining operations, without compensation to the
State for damages resulting from proper mining operations, in accordance
with Section 29 of the Act of February 25, 1920 (41 Stat. 437), and
the Act of March 4, 1933 (47 Stat. 1570).
