Subject: VALUE JUSTIFICATION MEMO

The Department of Parks and Recreation intends to purchase a tax delinquent parcel in the Antelope Valley area of Los Angeles County. The assessor parcel number is 3363-004-042 and it is classified as 10 acres of vacant desert land by the county. A preliminary title report was not available for review by this appraiser. Therefore, the availability of physical and legal access to the property, as well as existing easements and encumbrances is unknown. The property is available from the Los Angeles County Tax Collector for the price of $7,675.10 plus other fees in the amount of $379.93 for a total of $8,055.03. This appraiser has been asked if the proposed purchase price of $8,055.03 is supported. This memo consists of a desk appraisal of the subject property in order estimate a minimum value estimate. In order to estimate this minimum value, sales of surrounding properties were obtained from RealQuest. In addition, topographical maps and aerial photographs were reviewed. A sales history of the subject property was not available; however, it is currently assessed for $42,014. Below is a tabulation of sales from the immediate area obtained from RealQuest:

The client agency has requested a minimum value estimate for the subject property. There is empirical data in order to estimate this minimum value. According to USPAP, “An appraisal
must be numerically expressed as a specific amount, as a range of numbers, or as a relationship (e.g., not more than, not less than) to a previous value opinion or numerical benchmark (e.g., assessed value, collateral value). Based on an analysis of sales, topographical maps and aerial photographs, it is the opinion of this appraiser that the value of the subject property is not less than $8,055.03.

Official Records of Los Angeles County, State of California. In this deed, the county and state will be referred to as “said county and state.” The deed of trust was to secure obligations stated therein and the payment thereof as more particularly described in and executed on the face of the deed of trust, with interest, and to secure any other covenants or obligations, the payment of which was secured by said deed of trust.

Default occurred as set forth in a notice of default and election to sell under said deed of trust, which notice of default was recorded on October 1, 1970, as page 85-1050549 of official records of said county and state.

Trustee has complied with all requirements of law regarding the giving of notice. After three months expired from the recording of said notice of default, trustee posted a written notice of the time and place of sale in a public place where said property was to be sold, caused publication of said notice in the AV Daily Ledger-Gazette published in Lancaster, California, a newspaper of general circulation printed and published in the city of Lancaster, to which property or part thereof is subject, and by posting a copy of said notice on the real property described in said deed of trust, as required by law. The present notice and the published notice contained the description of the property to be sold.

Sale of said property and posting continued for a period not less than 20 days prior to the date of sale contained in said notice, and thereafter Trustee offered the property described in said deed of trust for sale at public auction on November 5, 1972 at 11:15 a.m. at the front entrance to Suite 201 (Second Floor), 1028 North Lake Ave., Pasadena, California in said county and state.

Trustee sold and conveyed, which is hereinafter described, according to law, to the grantee above named for $15,887.21 plus taxes, in all prior liens and encumbrances. Said grantee was the highest bidder for said property. No person offered to take said property for the amount of principal, interest, advances, and taxes.
