In the east, True North, forty minutes, and forty seconds. This line of true North is to be used for the direction of the stars, the position of the sun, and for the computation of the time. It is to be used for the determination of the position of the stars, the position of the sun, and for the computation of the time.

In the west, True South, forty minutes, and forty seconds. This line of true South is to be used for the direction of the stars, the position of the sun, and for the computation of the time. It is to be used for the determination of the position of the stars, the position of the sun, and for the computation of the time.
To the Right Honorable, D. G. of England, and of Ireland, 

Sir: 

We, the undersigned, inhabitants of the township of New North, and of the town of New London, in the County of New London, in the United States, being desirous of obtaining a charter to incorporate ourselves into a town, have caused this petition to be presented to your Honor, that it may be laid before the Honorable Assemblie of this State, in such manner as the laws of the United States require, and that the same may be laid before the Honorable Assemblie of this State, in such manner as the laws of the United States require, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to report thereon upon, and that the same may be referred to the Committee of the House of Representatives, to
