Gentlemen:

On July 1 (envelope postmarked June 30) we received eight 1959 Annual Notices of Ground Water Extractions for the above seven Recordation Numbers and for your No. 7 well. Received with said notices was your check in the amount of $5.00 to cover the filing fees.

However, we note that the surface water diversion, No. 19-01735, was reported on a ground water form, which we mistakenly sent you. In order that the proper filing may be made, you are requested to sign and return to this office an enclosed surface diversion form. Please note that the diversion reported on the ground form has been entered on said enclosed form.

In addition, the remaining notice received evidently was intended to report the extractions from your No. 7 well, which you had acquired from Messrs. Schreiber & Kietz. In order that you may properly record the extractions from this well we have enclosed the necessary First Notice form 500-2 which you are requested to complete and return to this office as soon as possible.

For your convenience the $5.00 received will be held in our Unclaimed Collection pending receipt of the completed forms enclosed herewith.

Your consideration and prompt reply in this matter will be sincerely appreciated.

Very truly yours,

L. K. Hill, Executive Officer
