in the capacity of U. S. Surveyor, under Special Instructions dated 181, issued by the United States Surveyor General to govern surveys included in Group 191, which were approved by the Commissioner of the General Land

191, and Assignment Instructions dated 191.

Survey commenced July 1862 181.

Survey completed 181.
Under and by virtue of the provisions of the Thirteenth Section of the Act of Congress of the Third of March, Eighteen hundred and Fifty one entitled "An Act to ascertain and settle private land claims in the State of California and of the Twelfth Section of the Act of Congress approved on the Thirty first of August, Eighteen hundred and Fifty two entitled "An Act making appropriations for the civil and diplomatic expenses of the government for the year ending the Thirty first of June, Eighteen hundred and Fifty three and for other purposes", and in consequence of a certificate of the United States District Court for the Southern District of California, of which a copy is annexed, having been filed in this office whereby it appears that the Supreme Court of the United States dismissed the appeal from the decision of the said District Court (a copy of which is also here annexed) upholding the said decision by which the claim of Jose Maria Flores to the tract of land designated as "La Liebre" containing eleven square leagues was confirmed has become final.

The said tract has been surveyed in conformity with the grant thereof, and the said decision by George H. Thompson Deputy Surveyor in the month of July, Eighteen hundred and Sixty two under the direction of this office as appears by the field notes thereof, which having been examined and approved are now on file in this office-

and I do further certify that under and by virtue of the provisions of the Act of Congress approved June Twentieth, Eighteen hundred and Sixty one entitled "An Act
To amend an act entitled an act to define and regulate the jurisdiction of the District Court of the United States in California in regard to the survey and location of confirmed private land claims the said approved survey was ordered into the U.S. District Court Southern District of California and final decree had therein a copy of which is also annexed; and I do further certify the annexed map to be a true and accurate plat of said tract of land so approved by said District Court.

And I do further certify that under and by virtue of the said confirmation survey and proceedings, the said Jose Maria Flores is entitled to a patent from the United States upon the presentation thereof to the General Land Office, for the said tract of land the site being bounded as follows, to wit:

Appellant

vs.

The United States

Appellees.

This cause coming on to be heard on appeal from the decision of the United States Board of Land Commissioners to ascertain and settle the private land claim in the State of California under an act of Congress approved March 2nd, 1857, in a transcript of the proceedings and decisions of said Board of Commissioners, and of the papers and evidence upon which said decision was founded, and an additional evidence filed before this Court, and it appearing to the Court that said transcript and the notice of appeal have been duly filed according to law, and counsel for the respective parties having been heard.

It is ordered, adjudged and decreed that the decision of said Board of Commissioners be and the same is in all things reversed.

And it is further ordered and decreed that the claim of the Appellant to the land called "Hixmme" claimed in this case is good and valid, as the same are hereby continued to him to the extent of eleven square leagues of land, and no more, within the boundaries described in the grant, to wit: the "Salinas de Cortes" on the north east, the "Cuesta de la Mella," on the south, and on the west, the place of Los Alamos.

Provided that should the quantity of land within said boundaries be less than eleven square leagues, then confirmation is hereby made of such less quantity.
This done & signed in open Court this 12th
February 1897
