A Letter From a Representative of the Los Angeles Tribune, After a Careful Inspection of This Beautiful Valley.

(Re-published by request.)

THOUSANDS Of people riding on the cars from Tehachapi to San Bernardino have recently been the cause of great interest and curiosity in the Southern Pacific Railroad Company, as they have been the subject of much discussion in the newspapers of the state. The newspaper accounts have been somewhat exaggerated, but the general impression is that the new line will be a great improvement for the people of the desert.

The Southern Pacific Railroad is the most important railroad in the state, and it is expected that the new line will be a great success. The railroad is being constructed by the Southern Pacific Railroad Company, and it is expected to be completed in the near future.

The Southern Pacific Railroad Company has been in existence for many years, and it has been responsible for many important improvements in the state. The company has built many important railroads, and it is one of the largest railroad companies in the United States. The Southern Pacific Railroad Company is well known for its excellent service and its efficient management.

The new line is expected to be a great improvement for the people of the desert. It will provide a much-needed transportation route for the people of the area, and it will also provide a much-needed source of employment.
