New Valley Industry On Way, Says APV

No Fund For AV Freeway

Eight million dollars in budget will be necessary to extend the $4,000,000 preliminary plans for the AV Freeway to the city of New Valley. There will be no money for this purpose, but if the situation is not changed, the project will be abandoned.

Water District for Valley Area Pushed

The Antelope Valley Water District is planning to build a water system in the Valley area. The district has purchased 100 acres of land near Palmdale and plans to lay water lines throughout the area.

Youth to be Honored By Council

The Antelope Valley Junior Chamber will honor outstanding young people at a banquet on June 1. The awards will be presented to students who have achieved academic excellence and demonstrated leadership in their community.

Fall Flower Show Planned

The Antelope Valley Lion's Club will hold its annual Fall Flower Show on November 15. The show is open to all local gardeners and will feature a variety of flowers and plants.

Board in Pledge on Hospital

Residents of the Antelope Valley have pledged to raise $50,000 for the new hospital that is planned for the Valley. The hospital will be a center for health care in the area and will provide much-needed services to the community.

Advocate gifts list of $4,000 has been posted by the Antelope Valley Chamber of Commerce in its $5,000 drive to put an AV Freeway in the Valley. The contributions will be used to help pay for the construction of the Freeway.

Professor to Give Talk on Incorporation

Lancaster Chamber of Commerce will hold a meeting on December 1 to discuss the Incorporation of the City of Lancaster. The meeting will be open to the public and will feature a presentation by a representative of the Incorporation Committee.

Alumni-Less Homecoming Set

Palmdale High School will hold its annual Homecoming on October 5. The school will be celebrating its 50th anniversary this year and will be honoring its former students.

Shirt Factory Among Three Possibilities

Three major industries are being considered for the Antelope Valley: a shirt factory, a printing plant, and a poultry farm. The decisions will be made after careful consideration of the potential benefits for the Valley.
