Due to workload, there may be delays in answering questions or contacts from the Board, please bear patience.

A contractors license requires a California contractor registration number. The registration number must match the entity listed on the license. A contractor's license number is assigned by the CSLB. If the entity is subject to public complaint disclosure, a link for complainant disclosure will appear below. Click on the link to view the information.

Disclaimer: A license status check provides information taken from the CSLB license database. Before relying on this information, you should be aware of the following limitations:
