**COURT'S FINDINGS AND ORDER:**

The Court, having reviewed this form and having questioned the defendant concerning the defendant's constitutional rights and the defendant's agreement to modify the terms of his probation by a change in the criminal protective order, finds that the defendant has expressly, knowingly, understandingly, and intelligently waived his or her constitutional rights. The Court finds that the defendant's agreements to the change in the criminal protective order are freely and voluntarily made with an understanding of the nature and consequences thereof, and that there is a factual basis for the change. The Court accepts the defendant's agreement and modifies the criminal protective order.

The Court orders this form filed and incorporated in the docket by reference as though fully set forth therein.
