Honorable Brian C. Walsh, Presiding Judge  
Santa Clara County Superior Court  
191 North First Street  
San Jose, CA 95113

Dear Honorable Walsh:

In response to your recent inquiry regarding Our Schools Do Not Need Zeros, the following is my response on behalf of the Cambrian School District:

**Finding 1**

*CABs shift large, compounding interest costs to future taxpayers and will inevitably compound the burdens school district face in operating effective schools for their students in the future.*

Cambrian School District agrees in full with this finding.

**Recommendation 1**

Each school district in Santa Clara County should adopt a Board policy and any necessary administrative regulation indicating its intent to comply with the moratorium called for by the State Treasurer and the State superintendent of Public Instruction.

Cambrian School District will adopt a Board policy and any necessary administrative regulation indicating our intent to comply with the moratorium.

Sincerely,

Randy Scofield, President  
Board of Trustees
