REBECCA J. FLEMING  
Chief Executive Officer

CIVIL GRAND JURY DIVISION

**2021 Civil Grand Jury  
Demographic Data**

**Summary:** The Court received 107 new applications to serve on the 2021 Civil Grand Jury. Of those, one individual was not qualified to serve and has been omitted from the data below pursuant to California Rule of Court 10.625(a)(4).

Three individuals from the 2019-20 Civil Grand Jury applied to carry-over for a second year and were then nominated by the judicial officers of the Superior Court to serve as prospective regular grand jurors. These carry-over jurors were included in the data below pursuant to California Rule of Court 10.625(b)(2).

Of all 109 prospective regular grand jurors, six individuals served one previous year as a civil grand juror, and three individuals served two previous years as a civil grand juror.

**Figure 1. Gender of Prospective Regular Grand Jurors and Carry-overs.**

| Gender       | All (Count) | All (Percent) |
|--------------|-------------|---------------|
| Man/Male     | 65          | 60%           |
| Woman/Female | 44          | 40%           |

**Figure 2. Race/Ethnicity of Prospective Regular Grand Jurors and Carry-overs**

| Race/Ethnicity                             | All (Count) | All (Percent) |
|--|-------------|---------------|
| White                                      | 76          | 69.7%         |
| Asian                                      | 11          | 10.1%         |
| Black or African American                  | 2           | 1.8%          |
| Hispanic/Latino                            | 6           | 5.5%          |
| Decline to answer                          | 6           | 5.5%          |
| Hispanic/Latino and White                  | 3           | 2.8%          |
| American Indian or Alaska Native and White | 1           | 0.9%          |
| Asian and Hispanic/Latino                  | 1           | 0.9%          |
| Asian and White                            | 1           | 0.9%          |
| American Indian or Alaska Native and White | 1           | 0.9%          |
| South Asian                                | 1           | 0.9%          |
