**NOTICE TO ALL COUNSEL**

Please take notice that Judge Brian Walsh will retire from the Superior Court effective end of day, November 30, 2020. His replacement in Department 1's Complex Civil assignment, who has not yet been announced, is expected to begin hearing matters in late November.

Judge Walsh wishes to take this opportunity to thank all counsel who have appeared before him in the Complex assignment for the courtesy, professionalism, and superb advocacy they have routinely demonstrated. He will miss the rigorous challenges of Complex Civil Litigation but, after 4 years in Complex, 20 years on the Bench, and nearly 50 years working full-time in the law, he believes it is time for a new chapter.

Happily, the team that is so integral to the smooth functioning of the Complex Courts remains intact. Please contact the Complex Coordinator, Rowena Walker, or the Complex Courtroom Clerk, JeeJee Vizconde, with any questions or concerns during the transition.
