

## Civil Law and Motion and Discovery Calendar Available Dates

Updated June 4, 2020

Due to the Shelter in Place we have limited staff working on these motions and no staff to answer phones. Motions may be submitted without a hearing date, Calendar clerks will be assigning the hearing date based on availability, once the motion is processed. We just started assigning the hearing dates on 5/18/20, for motions filed without a hearing date. Please allow us time to set these hearings. Once the hearing is set you will be able to view it in your case on: Superior Court-Case Information Portal
