FOR IMMEDIATE RELEASE: November 3, 2020

Amended General Order Regarding Face Coverings Required In Courthouses

In May 2020, a General Order was issued requiring all persons, including Court staff and judicial officers, who enter the courthouses wear a face covering in public and shared workspaces. The County Health Officer has recently updated recommendations regarding the types of face coverings to be worn in an effort to further prevent the spread of COVID-19.

On November 3, 2020, Presiding Judge Deborah A. Ryan issued an [Amended Order Requiring Face Coverings](#) consistent with the County Health Officer's recommendations to protect the health and safety of the public, court personnel, judicial officers, litigants, and witnesses in connection with the COVID-19 threat.

Face Covering Definition:

Face coverings worn in the courthouse must have at least two layers of material and must fit snugly over the nose, mouth, and chin, hooking around the ears or tied behind the head. Neck gaiters, single-layer cloth face coverings, face coverings with an exhalation valve, and face shields (without the two-layered face-covering underneath) are **not permitted**.

Any person who refuses to wear the required face covering in compliance with this order may be ordered excluded from the courthouse for failure to comply with this order.
